Financial Policy Statement

APPOINTMENT TIMES: We reserve your appointment time for you alone. Thus, we respectfully ask that you give us at least 24 hours notice prior to canceling or rescheduling your appointments so that we may offer your appointment to another patient who may need to see us. If not, you will be subject to a **$25** charge.

HEALTH PLANS: All health plans are not the same and do not cover the same services. Patients are responsible for knowing the benefits of their individual insurance plans and any referral requirements necessary to have coverage of any service rendered. Should you not know this, please contact your Health Plan using information usually provided on your insurance card.

INSURANCE COVERAGE:

1. **Patients With Insurance Plans In Which We Participate:**
   Please verify your eligibility and benefits prior to your visit. Patients are responsible for deductibles, co-pays, non covered services, co-insurance, and items considered "not medically necessary" by your insurance company. **Payment of your co-pay and/or co-insurance is due at the time of service; if you are not able to remit payment, we may request you to re-schedule your appointment.** Additionally, any balances due after your insurance processes your claim will be due within thirty (30) days of notice from the insurance company. You are also responsible for ensuring that your insurance recognizes us as your new primary care physician, if required.

2. **In-Network/Out Of Network Verification:**
   Patients are advised to contact their insurance companies before-hand if you would like to verify whether your provider/providers are in network. Our office will use tools available to us to determine, in good faith, if your insurance plan is in network with our provider/providers. If, on filing your claim, your insurance plan determines our provider/providers are out of network, any balances that have been placed as your responsibility for payment will be due in full within 30 days or will be subjected to the terms of our outstanding balance policy (see below).

3. **Patients With Insurance Plans In Which We DO NOT Participate:**
   Full payment is due at the time of service. Upon request, we may provide you with your visit information from which you can file a claim on your own behalf.

4. **Private Pay Patients:**
   Full payment is due at the time of service. We will provide you with a receipt for your records.

OUTSTANDING BALANCES: We request that you remit all outstanding balances, including no-show charges, within thirty (30) days of date of service or charge date. If you are unable to meet this commitment your account will be considered delinquent. If your account becomes severely delinquent, it will be referred to a collections agency and any charges and/or fees incurred in this process will be the responsibility of the patient.

MINORS: Parents or guardians with custody must accompany all minors for their appointments and will also be responsible for remitting payment for all services rendered to the minor patient(s) upon being due.

AGREEMENT: I have read and understand the financial policy of the practice and I agree to follow its terms. I also understand that this policy may be amended from time to time by the practice. If necessary, I have contacted my insurance company and verified that Priya Maharaj, DO is designated as my new primary care physician.
